

Article 5.15 title shall be amended to read, "TEMPORARY AND PERMANENT STRUCTURES AND OUTBUILDINGS".

Text shall be modified as follows:

§ All Outdoor Temporary Structures to include but not limited to Sporting equipment (ie basketball hoops, volleyball nets, etc.), party or event equipment (ie. tents, tables, BBQs, etc.), Construction equipment (ie, wood working, masonry, etc.) should be coordinated and approved by the ARC Committee to maintain front yard aesthetics within HLCCE.

§ Outdoor Temporary Structures located in front yards and/or viewable from main roads in HLCCE shall be placed in the best possible area to not interfere with the sightline views of adjacent neighbors. Additionally, outdoor temporary structures will be erected only when in active use. When not in active use, outdoor temporary structures should be reduced and stored in areas to minimized sightline views by adjacent neighbors.

§ Permanent Outdoor Structures either in the Front, Side, or Rear areas of homes require prior coordination and approval of the HLCCE Architecture Committee.
